About the Company

With a mission of enhancing the lives of costumers by creating and enabling unsurpassed vacation and leisure experiences. Marriott International has surpassed expectations since 1927 and continues today. With more than 30 brand hotels, and the Marriott Bonvoy rewards program Marriott International can accommodate any traveler's needs.

The Marriott Bonvoy rewards program started in early 2019 and allows travelers to earn points whenever they stay at a Marriott International hotel. Beyond the points Bonvoy members also unlock Marriott exclusives such as free WI-FI, mobile check-in and special member rates. Members are also able to use their earned points to unlock once in a lifetime Marriott Moments.

The Marriott International company is proud to be a company that puts people first. With a focus on excellence the company makes sure to take care of associates so they can take care of you. Acting with integrity, and open to change Marriott is excited to serve every traveler throughout the world.
